INSTRUCTIONS FOR SELLING AT PORCH SALE

All work must be handmade – i.e. Designed and made by the AACC member. (“Seconds” can be offered for sale if the defect is noted - for example a pottery vase that does not hold water)

In addition to the stick on price label – include tags with any pertinent use or care instructions.

Jewelry must have the metal content labeled. Soap, lotions, and skin care products must have ingredients listed on package. Items not properly labeled will be excluded from the sale.

Items may be brought to the Center one week prior to porch sale start date.

If you have special circumstances, make arrangements with the office to bring your items. Items may be added during the porch sale so just bring when you can during the sale. The porch sale officially ends 2 weeks after the start date but sometimes items remain for sale until the next Monday awaiting the volunteers to take down the porch sale.

Please pick up any remaining items by: 3 weeks from the start of the porch sale. After 4 weeks from the start of the porch sale items may be moved to the annex and after 6 weeks remaining items will be donated. If you have special circumstances, please call the office and make special arrangements in advance.

The Center charges 33% of the sale price for items sold at the porch sale (same as juried artists and goes to assist with general budget expenditures). When the porch sale ends, checks will be mailed within 2 weeks.

Anyone selling items at the porch sale must submit and sign the attached inventory sheet.

I acknowledge that the items submitted for porch sale are my own work, handcrafted and “at my own risk”. While AACC will strive to keep my items safe - AACC will not be liable for loss or damage.

Price label requirements

NON JURIED ARTISTS (AACC MEMBERS)

Please use a **removable adhesive price label** for your items for sale (Avery or similar label) with your name, then dash, then PS (meaning porch sale), then space, S17 or F17 (meaning spring (S) or fall (F) and the year (ex. 17)) and the price of your item (see below examples). If you have items that need a pinned or tied tag, place the removable price label on the tag you have attached to the item. If you prefer to use a **number** instead of your name, please contact the bookkeeper at bookkeeperaacc@gmail.com and you will be assigned a number.

Member name Spring

Member name Fall

Jane Doe – PS S17
\$8.00

Jane Doe – PS F17
\$8.00

USE THE CURRENT YEAR: ex. 2017 is 17, 2018 is 18

Spring is S and Fall is F
